A HEALTHY LIVER.

THE liver is a large gland, lying under the ribs, on the right side. It is composed of several lobes or divisions. Its office is to secrete bile, and to separate it from the blood. It weighs about four pounds, being the largest organ in the body. The tendency of long-continued heat is to damage the natural action of the liver, and ultimately to produce enlargement, hardening, torpidity, and chronic inflammation of that organ. The symptoms indicating liver disease are as follows:

A sense of fullness and weight in the right side, with some enlargement and pain, particularly when pressed; pain in one or both shoulders and under the shoulderblades; disagreeable or painful feeling when lying on the left side; yellowness of the skin, face, and urine; bowels irregular, loose, or constipated; red veins through the eyes; sometimes a bad haeping cough; shortness of breath; a bad taste in the mouth; the urine deposits a sediment on standing; generally a low and desponding state of mind; the nervous system much debilitated; a disposition to apply the mind, and frequently a great dread of imagined evils supposed to be impending.

We believe that no medicines offered for the cure of liver disease have ever had so extensive a field of successful trial as our

BRISTOL'S SUGAR-COATED PILLS.

In the Western, Southern, and Pacific States of North America, in Canada, in Central America, in Chile, Peru, Ecuador, Bolivia, U. S. of Columbia, Argentina, Venezuela, Brazil, Venezuela, British West Indies, Cuba, Mexico, Australia, East Indies, Spain, and Portugal, they are well known and constantly used. Every month, under the name of "Bristol's Pills," they are sold, and their success is something quite unparalleled; but it is easily explained, and they are prepared expressly to relieve and cure all

LIVER AND BILIOUS DISEASES, constituting nearly three-quarters of all the sicknesses with which mankind suffer. The active principles of Bristol's Sugar-coated Pills are

FODOPHYLIN AND LEPIDANTIN, both simple vegetables, but both potent for controlling the liver—cleaning it of all sluggish secretions, and invigorating it to a state of healthy and natural action.

"WHAT IS IT MADE OF?"

Is the oft-repeated inquiry which comes to us from the most distant sections of the world about our MURRAY & LANMAN'S FLORIDA WATER.

"What makes it so LAMING?"

Is also a query often put to us. Of course we are not willing to make our formula known, and all such questions remain unanswered. "Ah!" says one, "I smell it."

MINORITIES AND LAMING: nothing else could be so delicate, yet so refreshing. Still we answer nothing, because we are either to say "yes" or "no," and we are equally disinclined to do either.

"No," says another, "I smell it."

HONESTY AND LAMING: are as plain as they can be. But to this also our only reply is silence—premising here, however, that if our great Perfume depended on any two single flowers, its breath would be poor indeed. "Yes," said a third, "I smell it."

"But you cannot decide me."

OBSCURE FLOWERS AND VIOLETS: are to my sense of smell the most delicate and easily perceptible prevailing perfume in the Florida Water. Well, well, we will not be so rude as to contradict a lady (nearly all these queries are from the ladies) who has used our water, and who says, "It is the most delicate and easily perceptible perfume in the Florida Water."

MURRAY & LANMAN'S FLORIDA WATER: are so exactly and perfectly blended together, that it is quite impossible to detect the distinctive odor of any single flower. The effect of the combination is the most agreeable and refreshing perfume to be found anywhere. We never get tired of it; the longer we use it, we enjoy it the more. It is the only Florida Water that we have ever used, and we have used many of the MURRAY & LANMAN'S FLORIDA WATER. There are others who offer for sale fluids which they call Florida Water, but they possess none of the wonderful virtues of Murray & Lanman's, and buyers should always be particular to ask for the Florida Water prepared by

BRISTOL'S SARSAPARILLA

IN QUART BOTTLES.

A TONIC, ALTERNATIVE, AND DIET DRINK.

ADAPTED TO ALL SEASONS AND ALL CLIMATES, AND ESPECIALLY NEEDED IN SPRING AND SUMMER.

Thirty years of practical experience have established the name of BRISTOL'S SARSAPARILLA as a Tonic, Alternative, and Diet Drink, and all Ulcers and Eruptive Disorders, beyond the reach of competition. The world knows that its effects in such maladies are, to

ARREST SUPPURATION, PROMOTE SOUND FLESH, COOL THE ANGRY SKIN, RESTORE THE SCROFULOUS, INVIGORATE THE FRAGILE, PURIFY ALL THE FLUIDS, AND BRACE THE CONSTITUTION.

But its operation is not limited to one class of disorders. As a general Corrective, Tonic, and Alternative, its importance is affirmed by the best medical talent of the age, and its use and feeble everywhere place the fullest faith in its preventive and remedial properties. The value of the BRISTOL'S SARSAPARILLA as an antidote to the complaints which prevail in SPRING AND SUMMER, cannot be overrated. During these seasons the human physique is subjected to severe trials. It requires more forethought, it demands help, in order to withstand the strain. We all know the debilitating and dangerous tendency of

CHANGES OF TEMPERATURE, UNHEALTHY EXHALATIONS, UNHEALTHY WINDS, LONG-CONTINUED RAINS, FLEETING EXHAUSTIVE HEAT, AN UNHEALTHY SOIL, AND DEPRECIATED WATER.

In SPRING, SUMMER, and a portion of AUTUMN, the lives of thousands are in continual jeopardy from these sources of disease. The best safeguard, the surest defence against them, is BRISTOL'S SARSAPARILLA. It should be used as a daily beverage or Diet Drink throughout the unhealthy season. Two tablespoonfuls, taken in a tumbler of water three times a day, will impart a tone and vigor to the system, which will render it impervious to the disorders that usually result from the above-named causes.
